THE PROBLEM

“Nearly 750,000 autos are involved in accidents each year caused by improper tire inflation.

- National Highway Traffic Safety Administration

“Flat Tires are the number one cause of vehicle immobilization.”

- US Department of Transportation

“Towing charges and (flat tire) repair costs average in excess of \$100.00, not including tire or rim replacement.”

- US Department of Transportation

“Flat tires were the cause of 13 percent (3.7 million) of the over 27.5 million calls the American Automobile Association received in 1996.”

- AAA Press Release

“Consumers should use extreme caution when using aerosol inflators to fix flats... There are better alternatives to aerosol inflators.”

- Tire Industry Safety Council
President Thomas Cole
